

Dear Parents, Carers, and Members of Our School Communities,

Exceed Academies Trust is launching a formal consultation from 6th November to the 19 December 2025 on proposed changes to Published Admission Numbers (PANs), to take effect from the 2027/28 academic year.

These proposals follow confirmation from the Local Authority that falling birth rates across the district are leading to lower pupil numbers, creating more school places than are currently required. This trend is expected to continue in the coming years. To ensure our schools remain stable, well-staffed, and financially sustainable, we are proposing the following changes:

Specific Proposals:

- Reduce the PAN at Baildon Glen Primary School from 30 to 15.
- Reduce the PAN at Knowleswood Primary School from 60 to 30.

No other changes are proposed for any other schools within the Trust at this time.
